UNITED CONTAINER COMPANY

Keene Corp.
Princeton Commerce Center
29 Emmons Avenue
Princeton, N. J. 08540

Att: Mr. Dan Yasenchak, Manager, Materials Purchasing

Gentlemen:

The following is the information you requested regarding the caution legend on the printing of your cartons.

We do not keep records as far back as 1969, so I contacted Ed Millham of your Valley Forge Mfg. plant and we checked the past records, and found the caution insert was added to your printing copy in 1969 and then was discontinued on November, 1972.

At that time, Keene Corp. went out of the asbestos pipe business. I have included two originals of the insert for your information.

If we can be of further help, please do not hesitate to contact us immediately.

Respectfully yours,
