Mr. K. W. Easley

Washington, D. C. PYDRAUL 150

Enclosed is a letter for you to send on to Captain Shone after stamping "Commercially Discreet, etc."

Also enclosed are two extra copies which Stu suggested might go to Captain Bennet and to a Captain Ialev-Petersen. The latter is, I believe, in the Bureau of Ships, Code No. 341.

This didn't get out to you last Monday or Tuesday as I had hoped since we have been snowed under with MCL visitors and a day or two of virus difficulties.
