FIBRE REPORTS - SYSTEMS 2778

Report of Fibre Inventory, form 2931-52B, has been revised to provide for reporting year-end fibre quantities from Jeffrey, Reeves, Coalinga, and Advocate.

The revised form is to be prepared using existing Systems 2778; no revision of the Systems page will be made.

The revised form is to be used beginning with the December 31, 1968 report.
