Hey Hannah,

Hope all is well, We had a quick question regarding the Department of Transportation's effort to advance the President's agenda.

Attaching this article for some background: <https://www.startribune.com/mndot-caught-between-trumps-war-on-woke-and-community-concerns/601341636>

We were curious of this policy shift would impact currently ongoing projects or would just be subject to the implementation to new DOT project?

Any context you could provide on this matter would be incredibly helpful!

Thanks so much,
