Q Sir, am I right that the amount of time you spent around pipecoverers may have been just once or twice a week?

A Well, they were on the job like we was.

Q But in the same room, maybe once a week?

A It varies. You know, it could have been once a week or it could have been -- it was every day you would be around them.

Q Do you remember testifying at your deposition, counsel, page 29, that you worked around them about once a week, maybe for an hour?

A No, I don't remember that.

Q Let me ask you this question, sir, and I will ask you a question. This deposition was taken, I believe, March 4th, 1996.

Do you remember that?

A Yes, I do.

Q Do you remember being asked this question: "Do you have a specific recollection of ever working in the same room as Mr. Vandergucht when pipecovering was being applied?"
