Re: Dominic Bertogliat
P-48-415

Dear Mr. Jackson:

After much effort, we have finally obtained tissue apropos the case of Dominic Bertogliat. This was forwarded to us by Dr. G. Berdez, Pathologist, St. Mary's Hospital, Duluth, Minnesota, who performed the autopsy.

A copy of the report disclosing my findings is enclosed herewith. You will note that the case is one of moderately advanced asbestosis. Eventually I will be obliged to submit a copy of this report to Doctor Berdez.

Should you have any comment, please advise.

With kindest regards,

Sincerely yours,

Arthur J. Vorwald, M.D.
Director
