January 10, 1944.

The Russell Mfg. Co.,
Middletown, Conn.

Dear Sirs:

Re: Dr. Gardner's Asbestos Dust Experiments.

Attached is copy of a letter from Dr. Gardner dated January 6th, which will be self-explanatory.

Communications with reference to these experiments have heretofore been addressed to Mr. C. M. Russell, who we understand is no longer connected with you.

Very truly yours,

Vandiver Brown,
Secretary.

VBry
