Mr. Drislane, you look puzzled at the same point as I did. There are no minute for 1980.

As far as you know, were any meetings held of the Asbestos Study Committee in 1980?

A. I hesitated for a different reason than what you did. Because we always start the meeting with a minute of the previous meeting and that particular meeting they didn't do. I was going by the previous meeting to make sure I didn't miss something.

Q. Do you know if the Asbestos Study Committee met in 1980?

A. I am looking.

Would you give me a few minutes?

Q. Oh, certainly.

A. You people shuffle these things around.

Q. That is the complete package in the order that you handed them to me about an hour ago.

A. Just give me a minute, please.
