

Harvard Boat

By BETTY MARKS

The new year of 1969 has brought a new determination to the Harvard Boat team. The team is determined to win the national championship. They have a new coach, Coach G. W. Gifford, and a new crew. They are determined to win the national championship.

Each year night and morning the team is in the water. They are training hard. They are determined to win the national championship. They have a new coach, Coach G. W. Gifford, and a new crew. They are determined to win the national championship.

Today, the team had a great practice. They were in the water for four hours. They were training hard. They are determined to win the national championship. They have a new coach, Coach G. W. Gifford, and a new crew. They are determined to win the national championship.

The "Academy" has ended up with a record of 10 wins and 10 losses. The team is determined to win the national championship. They have a new coach, Coach G. W. Gifford, and a new crew. They are determined to win the national championship.

U.S. Student Forces Jet to Fly to Cuba

MIAMI (UPI)—A Purdue University student with a private pilot's license flew to Cuba with "Dove" Thursday, Seventy-four, to help the Cuban Revolution. The student, who is a member of the U.S. Student Forces, flew the plane from Miami to Havana. The plane was a Cessna 441, and it was flying low over the water. The student was seen by a Cuban pilot, and he was taken to a prison. The student was released after a few days, and he flew back to the U.S. The student was a member of the U.S. Student Forces, and he was flying the plane to help the Cuban Revolution.

THE DOCTOR SAYS—

Inhalant Asbestos Dust May Cause Lung Cancer

By WAYNE G. BRUNSTADT, M.D.
Newspaper Enterprise Assn.

Because of the surprisingly high incidence of lung cancer in asbestos workers, the doctor says, it is important to know that asbestos dust is a known cause of lung cancer. The doctor says that asbestos dust is a known cause of lung cancer, and it is important to know that asbestos dust is a known cause of lung cancer. The doctor says that asbestos dust is a known cause of lung cancer, and it is important to know that asbestos dust is a known cause of lung cancer.
