Q I understand. But asbestos and lung cancer was well-established in 1955, right?

A It was established of the relationship, and convinced most people in 1955.

Q Thank you. There is absolutely no relationship between cigarette smoking and the disease mesothelioma, is there?

A No.

Q You have testified to that a number of times, haven't you, Doctor?

A Yes.

MR. IGNATOWSKI: Your Honor, if I can have one moment, I am just going to go through my notes very quickly.

THE COURT: You already asked that.

MR. McGOWAN: Four times.

MR. IGNATOWSKI: I am doing it a couple of times.

THE COURT: All right.

(Whereupon, pause.)

MR. IGNATOWSKI: I think I am done.
