SWP HOUSE PAINT
lasts longer..saves money

It pays to be "choosy" when you select house paint. The price difference between SWP House Paint and ordinary house paint is less than $5.00 for the average house job. And years of extra wear make it one of the wisest economies you can make! You'll be money ahead when you discover there *is* a difference in house paint!

FREE! Ask for your copy of the 44-page Home Decorator containing full facts on SWP House Paint . . lots of decorating ideas too.

More U. N. Issues Ready

THE THIRD and fourth United Nations commemorative stamps of 1954 are being issued.

One stamp pictures the European office of the United Nations, the Palais de Nations at Geneva, Switzerland. It was issued on Oct. 25 and will be printed in both the 3-cent and 8-cent denominations.

The other adhesive commemorates Human Rights Day and will be issued Dec. 10. The design, showing a mother and child, was submitted to the International Postage Design Competition held by the U. N. Postal Administration in 1952. The winner was Leonard C. Mitchell of New Zealand. This stamp also will be printed in the 3-cent and 8-cent denominations.

Collectors interested in first day cancellations may send their addressed envelopes to the U. N. Postal Administration, United Nations, N. Y., prior to the dates specified. The outside envelope should be marked "First Day Covers." Either money order or certified check will be acceptable.

UNITED STATES collectors will be glad to know of the new 3-cent stamp to be released Dec. 2 at Fredericksburg, Va. Appearing on the stamp is a likeness of President James Monroe taken from a portrait by Rembrandt Peale.

DON'T SHOUT! I Can Hear Now!

After the first treatment with the Auditonic Neurogenerator people have noticed definite changes in their hearing range.

Reports are constantly more encouraging concerning the value of this improved treatment for loss of hearing. Regardless of the nature or severity of your deafness, we invite you to have our thorough hearing examination and a trial treatment. This is not a cure-all and will certainly not restore perfect hearing in every case. But we have enough evidence now available to demonstrate that many deaf persons can expect radical benefit even after years of unsatisfactory experience with hearing aids and a wide variety of treatment. To help you solve your hearing problem we will give you a careful hearing examination and a convincing trial treatment for a limited time for only $2.00. Please phone for appointment (at your convenience) and bring this notice with you.

HARROD DIAGNOSTIC OFFICES, 523 Locust Ave., Long Beach, or 1803 Belmont Ave., Bellflower. Phone: Long Beach 6-1485 or TOrrey 7-0610.
