CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

CONDITIONS FOR
OPERATED AND MAINTAINED RATES

The following conditions apply to all operated and maintained rentals:

1. REPORTING TIME:

Operators, Oilers, and/or Drivers are paid under terms and conditions outlined below and if hours due employee (s) exceed the rental hours for equipment, the excess hours at appropriate wage rate (s) plus applicable payroll taxes and insurance will be added to rental charges:

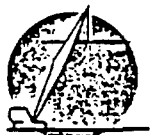

- (a) Should an employee be asked to report for work and not be given work, he shall receive two (2) hours minimum pay. Said employee must remain on the job two (2) hours unless told to go home. He shall not receive four (4) hours unless he is put to work.
- (b) An employee starting to work or called to work after starting time of a shift shall receive not less than four (4) hours pay. If employee is required to continue beyond four (4) hours of work day, he shall receive not less than a full day's pay.

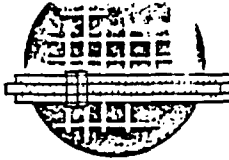

The foregoing requirements shall not be applicable where the employee voluntarily quits, or lays off, or is laid off by reason of strike, in which case he shall be paid for actual time worked.

E-09147

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

2. PREMIUM TIME - PERMITS AND ESCORTS:

In the event of overtime work, hourly rates quoted will be increased to include Operator's premium pay plus applicable payroll taxes and insurance. Cost of permits and escorts for lessee's account.

3. RENTAL PERIOD:

Rental starts when equipment leaves Barnard and Burk, Inc. Construction Division's Yard and terminated when returned to Barnard and Burk, Inc. Construction Division's Yard.

4. PREMIUM TIME COSTS FOR REPAIR WORK (performed outside regular shift hours)

Repair work performed outside regular shift hours will be charged to Lessee.

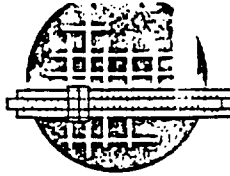

No repair work will be performed on premium time unless requested by Lessee.

E-09148

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

CONDITIONS FOR
BARE RENTAL RATES

The following conditions apply to all Bare Rentals:

1. TIME BASIS OF RATES

Rates are based upon one shift of eight (8) hours per day. Forty (40) hours per week, or One Hundred Seventy-Six (176) hours per month of a thirty (30) consecutive day period. If rented by the day, the overtime rate of 1/8 of the daily rate for each hour in excess of eight (8). If it is rented by the week, the rate of overtime is 1/40 of the weekly rate for each hour in excess of forty (40). If it is rented by the month, the overtime rate is 1/176 of the monthly rate for each hour in excess of 176 hours in any one thirty (30) consecutive day period.

2. COST OF REPAIRS

A. Tractor Equipment

In the case of tractor equipment and/or rubber tired hauling equipment, the lessee bears all costs of repair to such equipment, regardless of the cause. Tractor equipment would include crawler as well as rubber tired.

B. Non-Tractor Equipment

The lessor bears the cost of repairs due to normal wear and tear on non-tractor equipment, and the lessee bears all other costs.

E-09149

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

3. PREMIUM TIME FOR FOR REPAIR WORK (performed outside regular shift hours)

Repair work performed outside regular shift hours will be charged to Lessee.

No repair work will be performed on premium time unless requested by Lessee.

4. NORMAL WEAR AND TEAR:

Normal "wear and tear" is that which would be expected to result from the use of the equipment under normal circumstances, provided the equipment is properly maintained and serviced.

5. FUEL AND LUBRICANTS:

In all cases, the Lessee bears costs of fuel and lubricants.

6. OPERATOR:

In no case does the rental rate include the cost of Operators.

7. CONDITION OF EQUIPMENT:

The equipment rented is to be delivered to the Lessee in good operating condition, and is to be returned to the Lessor

E-09150

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

in the same condition as delivered, less normal wear.

Where excess cleaning or repairs are necessary, additional charges for this cleaning and repair will be made.

8. FREIGHT CHARGES:

The rates in the Schedule are all F.O.B., the Lessor's Warehouse or shipping point. The Lessee pays the freight or drayage charges from shipping point to destination and return. When loading, unloading, dismantling or assembling is necessary, the Lessee pays this additional charge.

9. PERMITS AND ESCORTS:

Cost of permits and escorts for Lessee's account.

10. MULTIPLE SHIFT:

Equipment used on first shift of scheduled shift work will be charged in accordance with the attached Equipment Rental Schedule. Rental rates for the second shift will be charged at 85% of Equipment Rental Rate Schedule. Rental rates for third shift will be charged at 75% of Equipment Rental Rate Schedule.

E-09151

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

BARNARD & BURK, INC.

When the total labor required to repair an item of equipment exceeds four manhours, the costs of all labor, repair parts, and supplies are included in the equipment rates, and shall not be chargeable directly to the work.

Owner's prior approval shall be obtained for the proposed date of arrival of equipment at the Work site. Any item of equipment no longer needed for the Work shall be removed from the Work site, or, with consent of Owner, stored on Owner's property and thereafter no rent shall be charged. Equipment is subject to inspection by Owner and Contractor shall remove and replace any item found unsafe. Contractor shall maintain a perpetual inventory of construction tools and equipment costing \$300.00 or more.

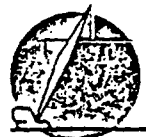

Rates listed are monthly, weekly, and daily. The Weekly Rates shall be one-third of Monthly Rates. Daily Rates shall be one-third of Weekly Rates. The charge is not to exceed cost of next higher rental period. Also, rates are based on eight-hour minimum work day plus incidental overtime.

Vehicles equipped with radios will be \$30.00 per month

E-09152

CONSTRUCTION DIVISION

BATON ROUGE, LOUISIANA

additional to the published rental rates.

Transportation Costs

Transportation costs (including highway permits) to and from the job site shall be paid by Owner:

- (a) for all equipment owned by Contractor provided such cost shall be the actual cost determined by application of rates and fees outlined in this contract, but not to exceed the cost of transportation from and to Contractor's storage yard, except for large crawler cranes and tractors where a mutually agreed upon basis shall apply.
- (b) for all equipment rented from third parties provided such cost shall be approved by Owner prior to rental of said equipment by Contractor.

In both (a) and (b) above, the costs of unloading, -assembly, and placing in commission on arrival at the Work site and for disassembly, boxing, and loading in preparation for shipment from the Work site, excluding in each case all costs for reconditioning, are also chargeable to the cost of the Work where such is necessary.

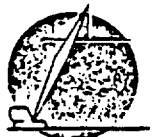

Equipment Rates for Multiple Shifts

On scheduled shift work, or scheduled overtime work,

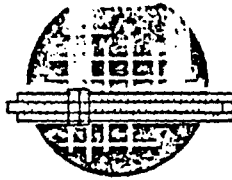

E-09153

CONSTRUCTION DIVISION
