It is page 83, line 1, counsel.

If you don't remember, that is all right.

A Had so many people firing questions at me there that day, I don't know what half of them said anymore.

Q All right. That is fair enough.

Again, at the Randallstown School, you and Mr. Vandergucht also did some work outside the school?

A Yes, we did some cement.

Q Cement work and that was for a couple of weeks during that three-month period, wasn't it?

A Back and forth.

Q Now, when you were working outside the school, the pipecoverers weren't out there, were they?

A Oh, no. And we were only out there when it didn't rain.

Q When it didn't rain.

A When it rained, we couldn't work out there either.
