Mr. Barrs – that is wonderful. We very much look forward to the visit. Forrest and myself are both from Oklahoma so I imagine a visit to your place will remind us a little of home.

We look forward to meeting you and will let you know as soon as our travel is booked.

You all are so kind. Thank you for your hospitality and for hosting this event.

Do you know the organizations the secretary and administrator will deliver remarks to?

Thank you Troy.

Good morning Lauren. Yes, we will be seeding Forrest McMurray on our team to lead the advance for this trip. He will arrive in Atlanta the morning of July 6th with an agent from the Administrator's security team and will then travel down to Macon and Cochran.

If possible, we would very much appreciate the opportunity to visit Gully Branch Tree Farm on Thursday to prepare for the Administrator's visit.

Forrest -- please work with with Lauren, et al to coordinate the advance for this visit.

Warm regards,

We can start 11 with a hard stop at 1:45. Does this work for the group?

Ambassador Pruitt's folks- are you all having an advance team go down? Wanted to see and if so, perhaps we could coordinate a walk through on Thursday if the Barrs are okay with that.

Thank you.

Troy,
We appreciate this draft run of show. Certainly we're hoping for a little more time for our guests. Have key prospective forestry invitees from as far as CA, FL, and D.C. Working on invitees list at this moment. Will ask each guest to provide complete contact info with one paragraph of organization /bio info.

Will provide more info along with logistic details including coordinates/address upon preparing.

Best regards,
Wanda Barrs
