the only tradename under which Abex ever manufactured and sold asbestos-containing railroad friction products.

INTERROGATORY NO. 5:

Identify by name each product containing asbestos fibers that Defendant or any of its predecessor or subsidiary companies at any time marketed or sold.

ANSWER: See Answer to Interrogatory No. 4.

INTERROGATORY NO. 6:

If the answer to one or more of the last three interrogatories is in the affirmative or lists any products, state as to each named product the following:

A. As to each product, state whether such product was mined, manufactured, marketed, and/or sold.

B. The names of the companies mining, manufacturing, marketing, and/or selling each product mined, manufactured, marketed, and/or sold.

C. The trade or brand name of each of those products mined, manufactured, marketed and/or sold.

D. The date each of the named products was placed on the market.

E. A description of the physical (chemical) composition of each of the named products, including the type of asbestos contained in the product and the percentage of asbestos put in each product.

F. The date each of the products was removed from the market and no longer sold or distributed and the reason or reasons therefor.
