testified that a 20-year study of several hundred insulation workers showed that more than half died of cancer.

This news release was -- news program was March 28th, 1968.

THE COURT CLERK: Is that an exhibit number or anything like that?

THE COURT: It is 1254.

THE COURT CLERK: I thought 1254 was the note.

THE COURT: 1254 is what I had. I am listening.

MR. SMITH: Thank you.

THE COURT: You are welcome.

MR. SMITH: Next exhibit, OCF-499.

THE COURT: It will be admitted in evidence.

(Whereupon, Plaintiffs' Exhibit Number OCF-499 was received into evidence.)

MR. SMITH: April 30, 1969 from the director of research and development, Mr. Shannon to
