LEONIE,
PLEASE SEE THE ATTACHED AND LET ME KNOW IF THIS CAUSES A PROBLEM.

ALSO, I CHECKED WITH THE FORWARDER AND YES, ONE ORIGINAL B/L HAS BEEN SENT TO THE CUSTOMER SO THEY CAN CLEAR THE GOODS.

LET ME KNOW IF YOU NEED ANYTHING FURTHER.

THANKS.

Hello Sandi,
Although we had instructed warehouse to have container fumigated, we have learned that fumigation was not done. Since shipment is going to FIJI, where fumigation is not a country requirement,there should not be a problem. However, I wanted to advise you of the situation so that you could notify the customer.
If you have any question, let me know.
Thanks,
Annemarie
