Date: August 29, 1986

To: Distribution

From: K. W. Macon

Subject: OSHA Instructions for Compliance with the Revised Asbestos Standard

I have attached a draft copy of the compliance instructions to be issued to the OSHA field offices. This document was given out for review and comments during a recent meeting with the Federal Office of Health Compliance. Please review and submit to my attention any comments you feel are appropriate. I will, in turn, submit these to the Office of Health Compliance.
