Attention: Mr. S. Shaw, Market Specialist - Functional Fluids

Dear Stan:

Enclosed you will find a list of all existing Joe Lowe Company REMO-THERM Installations where there are one or more units in operation. Also enclosed is a list of new REMO-THERM Installations along with their expected operation dates.

All of the above mentioned units are using, or will be using, THERMINOL FR-2 as the heat transfer fluid.

I hope all of the above information is as you requested in your letter to Frank Chipchase dated January 18, 1966.

Yours very truly,

JOE LOWE COMPANY
