Subject WIND SEAL SHINGLES

Will you please obtain a bundle of Tamko Wind Seal type shingles and send them to us.

We are going to check all manufacturers of Wind Seals for method of packaging to see if any infringe on our Self Sealing Shingle patent which was allowed last month and will issue shortly. When this is issued, we will have two patents. One covers adhesive and the other covers design and packaging.

Best regards.

MEMORANDUM

*In Reply to*_____ *Date* 2/5/63 *From* BBH *To* PJL- Mr. Nolte

Subject WIND SEAL SHINGLES

Will you please obtain one bundle of each of the following Wind Seal type shingles and send them to us.

Artic
Certain-teed
Flintkote
J-M (New type*)
Tilo
T-K

*We understand J-M has changed their method of manufacturing and have placed the adhesive on top of the shingle like ours. We are not interested in receiving their old Seal-O-Matic.

We are going to check all manufacturers of Wind Seals for method of packaging to see if any infringe on our Self Sealing Shingle patent which was allowed last month and will issue shortly. When this is issued, we will have two patents. One covers adhesive and the other covers design and packaging.
