IT'S RICH

From PAGE ONE

those 60 mph winds Thursday which literally lifted grass blazes across firebreaks as if the barren strips weren't even there.

They were caused by a vast discrepancy in barometric pressures along the Pacific Coast — extremely low in Los Angeles, extremely high in Seattle.

Barometer needles plummeted here, and many wondered why we didn't have rain. It doesn't always rain when the barometer drops, but a weather change usually is signalled.

Honolulu, cloudy	81	73
Indianapolis, clear	88	65
Jacksonville, rain	85	71
Juneau, cloudy	54	48
