Environment Counts, Make it B

When you dress up for spring don't forget your floors and furniture. Make your surroundings look their level best. Freshen them up with S-W Floorlac—the varnish and stain combined. A bright finish on even a few prominent pieces of furniture will make your rooms look all newly done over.

S-W Linoleum Varnish

A finish that saves the wear on linoleum, easily applied and wonderfully effective. Dries in four or five hours. Very pale color, making it suitable for light colored linoleums. Use it on oilcloth as well.

Marred and Worn Floors

That cannot be stained or worn can be made good with Sherwin-Williams FLOOR PAINT. It's made especially for floors—tougher than house paints. Very good looking and does not readily wear or show heel marks.
