A change in time has been made for our pre-meeting this afternoon as follows:

1:30 PM - Paper Chemicals group
2:15 PM - EVCl group
3:00 PM - Fluids group

Conference Room R-352 is still the place.

For your use in planning your portion of the review attached is a tentative agenda for our meeting Friday with Corey and Bergen. We will go over this and refine it in our meeting today.
