National Forest, Anza-Borrego Desert State Park, Ogamaca Rancho State Park or any of the smaller parks in the area. The law forbids flower picking in these lands.

All gatherings to date have proven properly with the possession of the property owners in writing. There is at least one case in which a property owner left a will which specified that Judson Women's Club could gather flowers for the show on his property forever.

Mrs. Redding said this is a great year for people visiting the show to see great fields of wildflowers growing on the route to Julian or return.

The Cuyamaca Lake area is alive with wildflowers she said. She also recommended the Old Julian Road from Ramona to Julian. It is paved and runs generally southeast of state highway 67 between Ramona and Santa Ysabel.

Every year is a great year for flowers, but this one is particularly good.

Ocean Scientists Due For June Conference

(Continued)

monitor Jerry Strove, a mathematician and physicist, will use a series of wave measurements, a deep submergence, and an unmanned ocean systems.

A banquet is scheduled June 6 and a luncheon June 7. Both will be at El Cortez Hotel.

Dr. Robert M. White of the Environmental Science Services Administration will be the banquet speaker.

Gov. Reagan has accepted an invitation to give the welcoming address at the banquet. Dr. James H. Wakelin Jr., general chairman of the meeting and president of the Marine Technology Society, will introduce Reagan.

Dolan said the scientific and technical program will bring a number of industry leaders to the meeting.

Marines Plan Events Today

CAMP PENDLETON — As thousands of Armed Forces Day celebration a gleaming jersey in the Camp Del Mar area with open house scheduled at the Naval Hospital.

The programs will include combat patrol and tactical demonstrations, a parachute jump by reconnaissance Marines, free coffee and cookies and a tour recruiting booth to send dependents' voices to servicemen overseas.

Programs will include helicopters, recoilless amphibious vehicles, infantry weapons, a field chapel and a fuel dispensing system. Marine Corps films will be shown and recruiting information will be disseminated.

Troops of the 1st Battalion will be conducted from 10 a.m. to noon and 2 p.m.

Elsewhere on Camp Pendleton, about 1,000 Marine reservists from the Los Angeles area will conduct a field maneuver — part of the 4th Marine Division's training program.

Reservists will undergo training programs in field artillery, infantry, communications, engineering and logistics.

Park Fountain Renovation Set

A contract for renovation of the east fountain in the historic section of Balboa Park has been awarded by the City Council.

The $8,350 project, including construction of new walkways in the area, will be financed by a $5,000 gift of Mrs. Ada Scripps Ballenger, and $3,000 in city funds.

A contract for $7,222 was awarded to J. M. Hadley Construction Co. The remainder of the funds will cover related costs.

Dedication Is Set By Cactus Society

The Palomar Cactus and Succulent Society will dedicate a plant commemorating the 100th birthday of one of their members, Mrs. Deanne A. Means at 1 p.m. today in the cactus garden of Palomar College, San Marcos.

The society's regular meeting will follow the ceremony at 8 p.m. in the Palomar campus.
