Monsanto

FROM (NAME & LOCATION) Dept. of Medicine & Environmental Health

DATE: December 13, 1977 CC:

SUBJECT: PCB CLASS ACTIONS

REFERENCE:

TO Jay R. Gentry Ortiz

On December 1 you questioned the information we had on the studies of Dr. Allen of the University of Wisconsin on PCB's. Paul Wright, who had visited Allen's laboratory, has prepared the attached memo in response to your question. If you have further questions, please let us know.

George Roush, Jr., M. D.
