may meet as arranged and elect a chairman and then adjourn until called by the chairman after the appeal has been disposed of by the court of appeals.

New York, April 6—Talbot J. Taylor and company, brokers for James R. Keene, declined to discuss the decision or to say what further steps, if any, would be taken. At the Union Pacific offices nothing in the way of an official statement was made. Representatives of Kuhn, Loeb and company were pleased by the news but had no comments to make. The stock market was not greatly affected by the decision. Southern Pacific rose to 58¼ and then reacted to 57⅝. It had sold during the morning at 57.

Cincinnati, April 6—The election of the Southern Pacific company has been postponed indefinitely pending appeal that was granted.

A CHANGE IN TIME.

There have been several changes in time of trains leaving Los Angeles. The Southern Pacific Military Special Line, which formerly left Los Angeles at 5:30 p.m., will now leave at 7:30 p.m., thereby allowing passengers leaving on the afternoon train from San Diego to make connections. The Rock Island-El Paso route trains will leave Los Angeles at 1:05 instead of 3:05 p.m., and the Sunset Limited now leaves Los Angeles at 1:15 instead of 2:40 p.m.

Republicans should not neglect to vote early and vote straight.

HAVE GOOD ATTENDANCE.

Last night Wallace's troupe of glass blowers in the Snyder block, had another big house. Entire families come to see the wonders of these skilled people. They are real glass blowers and deserve good patronage when attend their exhibitions. Every visitor with a child knows its worth. This exhibition is one that has never been seen before and is conducted only as one of the better class of attractions from the east. Everybody got a nice glass souvenir. They will be here this week only and should be seen by everybody.

BAD BLOOD

"I had trouble with my bowels which made my blood impure. My face was covered with pimples which no external remedy could remove. I tried your Cascarets and great was my joy when the pimples disappeared after a month's steady use. I have recommended them to all my friends and quite a few have found relief."
