CONFIDENTIAL

Mr. W. A. Holub
ADDYSTON

The following men have been listed in our Cancer Index as having had carcinoma of the lung. The number after their name denotes the year [illegible] were reported to me. Can you check to see if any [illegible] men were insulators, as we are interested i[illegible] the con[illegible]tion between asbestos exposure and [illegible]. If it is not too much trouble, could you give me a work history of their various departments.

This certainly should be done [illegible], [illegible] anticipate [illegible] It is, however, [illegible] there was a significant [illegible] of these people with [illegible].
