DIRECT EXAMINATION

BY MS. HINES:

Q Good afternoon, Dr. Levine.

Dr. Levine, could you just tell us briefly about your educational background?

A Yes. I graduated from medical school at the University of Colorado in 1970.

I did an internship and residency in general surgery from 1970 to '72.

I did an oncology fellowship from 1972 to 1975, and then I did two additional years of medical residency from 1975 to 1977.

THE COURT: Excuse me, Dr. Levine.

THE WITNESS: Levine.

THE COURT: Let me apologize for interrupting you, but you have a very soft voice, just like mine.

THE WITNESS: I am sorry.

THE COURT: Don't be sorry, I think I am older than you, so I have had it longer than you.

In any event, what I want you to do, if you
