Division of Field Studies and Clinical Investigation
Federal Office Building - Room 7033
550 Main Street
Cincinnati, Ohio 45202

Dear Dr. Johnson:

We have received a request from our local union 4-202 in Tyler, Texas concerning environmental health studies that your department has conducted in the Pittsburgh Corning Corp. plant there. They desire copies of reports of surveys dealing with asbestos dust levels in the plant.

Please send these reports as soon as possible to our office here in Washington.

Sincerely yours,

Anthony Mazzocchi
Director
