Monsanto Canada Limited
175 Rexdale Blvd.
Rexdale, Ontario

Attention: Mr. T. W. Oneson
Functional Fluid Sales

Dear Sir:

In our telephone conversation October 30, 1968, you agreed to take a look at the drawing of our Aroclor heating system.

I have enclosed a drawing #330 and a chart from the temperature controller. We will appreciate any suggestions that will improve our heating system.

We are waiting to see your recommendations before we clean the system out and change the oil.

Yours truly

THE OGILVIE FLOUR MILLS COMPANY, LIMITED
