Email Subject: #966051# - Additional support - Request for a speaker from ECHA

Email Body: Dear [REDACTED],

With reference to your invitation to speak at the FERMA Forum 2024, I regret to inform you that [REDACTED] cannot attend the event.

Unfortunately, we are also unable to provide you with another speaker and, therefore, we have to decline your request.

I am sorry that we do not have a more positive reply, but wish you a successful event all the same.

Best regards,

[REDACTED]
