Dear Mr. Morvan:

I received word from your Mr. J. Proyard of Solvay's desire to be a member of the Vinyl Chloride Safety Association. We welcome Solvay as a member company and you as permanent representative and correspondent. I look forward to seeing you at our next meeting at Hilton Head Island in South Carolina.

Enclosed is a copy of the attendees at the 1980 meeting in Bermuda for your reference. Fifty-five members attended representing 32 companies, world-wide.

I will keep you informed as plans develop for the next meeting. Welcome again. We look forward to your active participation.

Very truly yours,

H. G. Olson, Sec.
