INTER-OFFICE
CORRESPONDENCE

NEW YORK October 10, 1928.

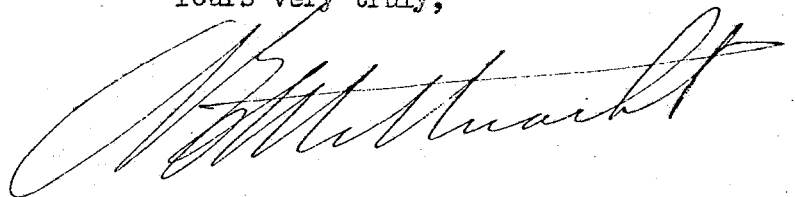

Dr. Karl V. Kitzmiller,

Dear Dr. Kitzmiller:

Thanks for your letter of October 1st
enclosing copy of your letter to Mr. Kahler.

However, apparently it did not work be-
cause he today wrote us in accordance with attached copy.
I think it would be advisable for one of your doctors to
stop by and see him at their convenience because we
certainly do not want to let him be left with this im-
pression in his mind. I attach hereto copy of my
today's reply.

Yours very truly,

The Ethyl Gasoline Corp.,
New York, N. Y.

Gentlemen:

I am inclosing letter received from your Medical Dept. and same does not change my mind in the least. I have had no infection whatever other than that which was caused by Ethyl Gasoline.

After the cause was determined the treatment responded at once and entirely cleared up the infection. I was treated by the best medical profession in central Penna. and there is no doubt about their ability or diagnosis. There is a possibility that the Ethyl being spilled on my leg at a point where my hose supporter fitted, the day being hot and my body covered with perspiration, helped to make more infection, but there is no doubt whatever what caused the infection. I was put to \$30.50 expense for Doctor bill, and the loss of two weeks time from the effect of Ethyl Gasoline and this letter gives me no better feeling towards Ethyl. I hold same responsible for the infection and my Physicians will bear me out, and I will be governed accordingly.

Respectfully,

MS.CJK
