Mr. Dana Boyadjian
Princeton Aqua Science
1789 Jersey Avenue
New Brunswick, NJ 08902

Dear Mr. Boyadjian:

Enclosed is the xerox copy of Page 8 from "The Chemistry Of PCB's" by Hutzinger et al, which lists general Aroclor uses.

In addition, Aroclor 1248 was used as a heat transfer fluid in a product sold as Therminol® FR-2.

Yours truly,

John H. Craddock
Product and Environmental
Safety Director
