Sam,

It looks like that time slot was taken while I was at a meeting.

Can I move you to 1:00 pm EST the same day?

Professor Panarella,

Aurelia Skipwith asked that I contact you to find a time for you to both of you to discuss a few things.

Are you available today? Aurelia has a few time slots that just became available.

If not, I can try to squeeze you before she departs for official travel.

Please let me know what works. I look forward to hearing from you.

As you may remember, I am the Director of the new Max Baucus Institute and we are putting together a summer internship for Montana students to intern in DC each summer. We want to send four students this summer, then ramp up to 10 15 each summer after that.

We would provide a living stipend for the student, so no expense on your end.
