Vice President
Consolidated Edison Company of New York
4 Irving Place
New York, New York 10003

Dear Mr. Cahill:

I appreciated your letter of March 13 relating to Polychlorinated Biphenyls. Our records indicate that your company presently does not purchase Pydraul formulations containing either Aroclor 1254 or 1260.

You may be assured that we will, in our normal purchasing and technical contacts, keep your company abreast of our product testing programs.

Thank you for your interest.

Sincerely yours,

Donald A. Olson
