Absolutely! He is going to be traveling quite a bit in April so if you want to get in before that, I can make early afternoon work on April 6 or April 7? Either of those doable?

Thanks!

Hi Syd,

We would like to request a meeting with the Administrator and Chet Cadieux of QuikTrip sometime in the next two to three weeks in Washington if possible. We are happy to come to EPA and a half hour would suffice great. Thank you so much!
