Date July 7, 1981
Subject PERIODIC EXAMS FOR LEAD AND VCM

To confirm our phone conversations, the following are prices given to us by HEI for the subject exams.

VCM	\$36.95 per person
Lead	43.20 per person
Both VCM and Lead	53.15 per person

These prices include all the laboratory work, necessary clinical supplies, quality control program, and all associated paper and computer work. The prices are based on local staff obtaining the samples.

HEI will instruct us in the Met-Path sample submittal procedure and other necessary paperwork. I will instruct HEI that we will need to do periodic exams at the end of August.
