Water Soluble Plasticizers

Your Memo - January 24, 1968

A. W. Morgan

M. W. Touchette - Res 3
W. K. Johnson - WJOHN
M. W. Farrar - Res 1

Thanks very much for your memo describing the potential interest in waters soluble plasticizers. I am attaching a copy of your memo for W. K. Johnson's consideration as he digs into the market areas for new plasticizers.

Thanks very much for your thoughts, Al, and we will get back to you at some later date.
