Hey Bill,

Look forward to meeting in 30. Any instructions on getting into the building?

Yes,

Let's try for next Friday at 2pm. I'll send out an invite to us all. Apologizes for the flu-influenced scheduling problems this week!

Bill, apologies I don't think we can do tomorrow now. A number of things have come up between now and Tuesday. Can we push to next Friday at 2pm?

James,

Sorry for the late reply. Yes, 2pm on Friday (tomorrow) will work if it's still available. Let me know and I'll send out a calendar invite.

Bill.

James,

It looks like Wednesday and Friday afternoon this week works best for us. Are you able to come over and visit at 2pm either day?

Bill.

Hi Bill,

Thanks for reaching out. Can we touch base next week on scheduling a meeting? Michael and I would love to stop by sometime soon.

Everything is kind of in flux here with the looming shutdown so we're unsure of what our schedules will be like next week.

Best,

James

Hi Michael,

Bill Murray here at R Street.

Just wanted to follow up with the connection made through Shoshona last month regarding messaging and outreach with beltway groups. Devin Hartman and I make up the Energy Team here in DC and Josiah Neeley is the Team's director based in Texas.

We would love to set up an meeting with both you and James at our new offices at your easiest and best convenience. We're just down the street from the White House at 1212 New York Ave. Is there a time or day that works best for you?

Sincerely,

Bill M.

Hey Shoshana great seeing you last night as well! I just landed in Vegas so sorry for the delayed response!

I CC'd my colleague James Hewitt, as we're working on improving outreach to groups in the beltway to help get our message and actions out to a broader audience, and would love to sit down with you guys after the holidays if that works for you?

Hope everyone has a great weekend!
