Re: Estimate for Dr. Kehoe's Book

Note: Below are estimates for two different formats. The first is recommended for easy readability of technical data, flexibility of design and a wider column width for tables and graphs.

Format A

Description

Finished size - 8½" x 10"

Number of pages - 128 plus cover

Paper - (same as Daniel Drake) Cover - Strathmore Rhodedendron (25% cotton),
Text - Alexandria Brilliant (archival)

Binding - (same as Daniel Drake) sewn then perfect bound into the cover

Ink Colors - Cover prints one side with two colors of ink, Text prints
one color on two sides of the paper

Printing cost for above description - \$9,303.00

NOTE: If the sewing is eliminated in the binding - perfect bound only -
reduce the cost by \$692.00

NOTE: If a high quality of paper is used but not archival, subtract
\$528.00. ie. Becket Cambric and Becket Laid

Typesetting Cost (telecommunicated and coded -\$5,000.
(or Keystroked cost changes to \$5,400)

KE 0014505

N19828.01

Dr. Kehoe's Book
Format A Continued

Custom Materials - \$650.00

General Materials - \$600.00

Production - \$2700.00

Design, Consultation, Type Specification - \$2,650.00

Total with Manuscript Telecommunicated, Binding sewn and perfect bound,
Paper stock like the Daniel Drake Book

Total - \$20,903.00

Format B

Description

Finished Size - 5¼" x 8¼"

Number of Pages 192 plus Cover

Paper - 80lb. Becket Cambric Cover and 70 lb. Becket Laid Text
these are both high quality papers but not acid free

Binding - (same as Daniel Drake) sewn then perfect bound

Ink Colors - Cover prints one side with two ink colors, Text prints
one ink color on both sides of the paper.

Printing cost for the above description - \$7,921.00

Typesetting Cost (Telecommunicated and Coded - \$5,150.00)
(or Keystroked - cost changed to \$5,500.00)

Custom Materials - \$650.00

General Materials - \$700.00

Production - \$3200.00

Design, Consultation, Type Specification - \$2665.00

Total (with Manuscript telecommunicated) - \$20,286.00
