Thanks for the email, Ross! Certainly, I would be happy to meet. I am copying in Robin who can find us a time.

Subject: Introduction

Samantha,

I'd like to introduce myself – I run the energy/environment department at NAM. I'm sorry it's taken us a couple months to reach out but I hope we can be helpful to you moving forward.

Do you have some time over the next days/weeks for me to come by and introduce my team? We'd like to be a resource for you and your staff.
