Dear Dr. Everson:

In reply to your letter of October 27, enclosed is Monsanto's check for $1,000 to be used in your research project involving AROCLOR® 1254 in feeder cattle. As discussed, please keep us posted on your work but we do not expect nor want any acknowledgement of this contribution. The 560 grams of AROCLOR® 1254 which is needed for your project will be shipped to you from our Sauget facility this week.

If we can be of anymore help, please let us know.

Sincerely,

J. Coleman Weber
