PAINTS ACME QUALITY FINISHES

Kalsomine for Walls and Ceilings

makes a handsome, soft, dull finish and very inexpensive, for hall, bedroom or dining room. Looks much better than wall paper and is decidedly more sanitary. Easily applied by simply mixing with warm water and brushing on.

ACME QUALITY KALSOMINE

covers more surface per pound than others, flows easily and wears well. Furnished in a variety of delicate tints and rich colors to harmonize with furnishings and draperies.
