Good morning! Please enter 1200 Pennsylvania Ave. N.W. through the William J. Clinton South Entrance (located adjacent to the escalators for the Federal Triangle Metro). Your party will then go through security screening. Please let Security know who you have an appointment with, and at that time they will call us. Either Cheryl Woodward or I will meet you on the first floor to escort you to the Administrator's Office.

We look forward to seeing you.

Michelle

Good to meet you if virtually and I look forward to seeing you tomorrow, Sydney! I met the Administrator briefly at the candlelight that John and I attended but it will be a privilege for John and I to get to spend a bit of time with him. I also had the good fortune of having Samantha Dravis as a guest at a salon dinner we had a couple of months ago and I know that both Geoff and my colleague Mary Streett have had a fair bit of interaction with her as well.

Where precisely would it be best for John and I to arrive and check in for the meeting tomorrow? Should we ask for you when we arrive?

My details including my cell phone number are below in case you need to reach me also.

Best regards,

Bob Stout

Thanks, Sydney

The meeting is with John Minge, who is Chairman & President of BP America, but is NOT the Chief Executive of BP plc.

He is our senior executive in the U.S.

The meeting is really an initial introduction.

He will likely tell the Administrator about the company's role in the U.S., issues we work with E.P.A. on, and likely invite him to visit some of our facilities.

There is no specific issue we are pushing or ask we are making.

That work?

Copying my colleague Bob Stout, who runs Regulatory Affairs on my team and will be a good point of contact for your office in the future.

Thanks, Geoff

Hi Geoff,

Hope this email finds you well! My name is Sydney Hupp and I now handle scheduling for Administrator Scott Pruitt. I am working on Monday's schedule and just wanted to confirm the meeting at 2:30PM with the CEO of BP. Would you kindly provide to me a topic for that meeting and who all will be attending, as well?

Thank you,
Sydney Hupp
