Aroclor

January 31, 1975

Mr. Edward Bregstone
QEEE 4-63
U. S. Coast Guard
Washington, D. C. 20590

Dear Mr. Bregstone:

Monsanto's Elmer P. Wheeler informed me of your need for literature relating to the proper handling of dielectric fluids containing polychlorinated biphenyls.

I have enclosed copies of bulletins on this subject issued by Monsanto and by the American National Standards Institute.

I hope you find this information helpful. If I can be of further service please let me know.

Sincerely,

W. B. Papageorge
Manager, Product Acceptability
Specialty & Process Chemicals
