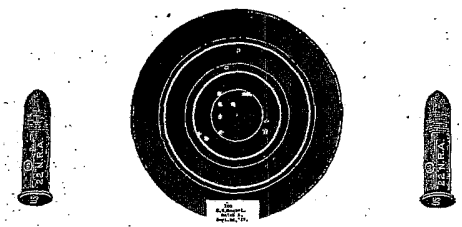
MORE PROOF
of .22 N. R. A. Accuracy



ABOVE is reproduced a target, shot in the Class B outdoor match of the U. S. Revolver Association by H. S. Menkel of New York City. Ammunition: U. S. .22 N. R. A.'s.

It is this kind of accuracy that has made U. S. .22 N. R. A.'s the year-in-year-out choice of champions.
