Hi Millan. Circling back on Nat Geo. 1. Can I confirm that it is still confirmed to the Administrators calendar? 2. Do either of these pre-meeting times work for the Administrator?

Hi Millan,

Touched base with James and he suggests skipping this Tuesday call. Biggest priority for them is fund cite so they can secure the vehicles. I think we are just waiting for account information from AO and PSD so we can send forward.

Thanks, Mark

Mark,

Good evening. Sarah and I are both traveling again this week. It is finishing up on Wednesday for a couple weeks. I know we have quite a few items that need addressed but neither of us will be able to hop on tomorrow morning as we both have meetings at 7AM. Please let us know if this means that we skip this week's call. Later this week will offer us much more time to address these items. Same with next week. Our sincere apologies as this constant travel has captured a great deal of our attention.

I will be in the office on Thursday and Friday and intend to make Australia my main focus .

Thank you,
Millan
