BIDS WANTED

San Diego, Cal., April 19, 1909

Proposals will be received until May 1st, 1909, by the San Diego & Arizona Railway Company, for the grading to be done on the San Diego & Arizona Railway from a point on said railway in San Diego at Survey Station "R" 88x90 to a point on the International Boundary Line near Tia Juana at Survey Station "C" 4[illegible], a distance of 14.5 miles, more or less, all being in the County of San Diego, State of California.

The Company hereby reserves the right to reject any or all proposals, and hereby reserves the right to let contracts for performing said work to such party or parties making proposals to do such work according to this invitation, or to any party or parties seeming to said Company to be the most desirable to do it, without regard to whether the proposals or contract prices of such party or parties are higher or lower than the proposals of other party or parties.

Plans and specifications may be had at the office of the Engineer of the San Diego & Arizona Railway Company, [illegible] Union Building, San Diego, Cal.

By E. J. KALLRIGHT,
Engineer.
