Was going to check with Millan...do you think I'm good to be in Tulsa Thursday morning or do I need to advance the royalty meeting?

You're with him Friday, correct? Will you be in Tulsa in the AM or meeting him in Norman? Maybe we could work it in before or after Royalty owners?

Sydney will you look for times he is available?

He's done this show before and would be a good one to do again. Obviously with this weeks schedule it I'll need to be over the phone.

Millan –

John Catsimatidis would love to have Scott on his show again. Can you forward to the necessary people to see if he is available? All info below.

FYI – for some reason my spam filter blocks his email.

Thanks,

Kate

John Catsimatidis is a businessman here in New York City and he also

has the #1 radio program which airs Sunday mornings in New York, Washington DC, Philadelphia and Boston area. CatsRoundtable.com (https://en.wikipedia.org/wiki/John_Catsimatidis)

The program is taped during the week. The interview is taped over the phone and takes between 8- 10 minutes. We would very much like to have the Director Pruitt on for a few minutes this week. Anytime the Director has a few minutes I will make it work. Talk about anything he would like. Most recently coal.

Mr. Catsimatidis and Director Pruitt are well known to each other.

We have the top guests in the Country. (see below)

Please let me know if this would be possible and I will work out the all details at your convenience.

Hope to hear from you.
